To: All Service and Parts Managers

From: Technical Services Department

Subject: Ceiling Mount Air Handlers (ACSF) Missing Flowrator Tubes

It has come to our attention that ceiling mount air handlers (ACSF) are missing the Flowrator tube, **Part Number B1796630**, from the literature assembly. ACSF ceiling mount air handlers produced **prior to serial number 2306724252** were shipped without the Flowrator tube. Contractors with units listed below, with serial numbers prior to 2306724252, must obtain Flowrator tubes from their local distributor. Distributors must order Flowrator tube part #B1796630 from Order Services and provide it to their contractors at no cost.
